 - A. Bicycle Master Plan Workshop on Corridors (60 mins) Kate Brady

Action: Comments

 - Kate advised there was a technical advisory meeting. It was hoped there could be some feedback on the corridors that came out of the PPACG Non-motorized plan. There wasn't time for it at the meeting and a very low response when an email was sent out asking TAC for that.
 - The consultants would like some feedback from people who know the area and are asking ATAC for that.
 - Would like project recommendations for these corridors.

- There was discussion regarding what the consultants are wanting.
- Tim Roberts clarified the consultants want ATAC to identify project specific sections.
- The goal is get more people riding bicycles in Colorado Springs, especially people who aren't comfortable riding right now.
- Discussion ensued regarding recreational biking and transportation biking.
- Kate presented the Committee with quadrant maps for review.
- The Committee spent several minutes marking segments on the maps.
